CARBINE 10M HOMMES

Table with columns for Rank, Name, Club, and various competition results. The table contains 240 rows of data. The header row lists the competition name and various categories. The main body contains names and scores for each competitor. The table is color-coded by club or region, with columns of different colors (green, orange, blue, red, etc.) corresponding to different groups of competitors.

CARABINE 10M JEUNES GARÇONS

Table with columns for Rank, Name, Club, and various competition scores. The table lists participants from rank 1 to 79, with scores ranging from 122.8 to 206.3. The table includes a header row with club names and a final summary row at the bottom.

CARABINE 10M JEUNES GARÇONS

Table with columns for Rank, Name, Club, and various competition scores. The table lists 150 participants and their performance across multiple events, including individual and team scores for different categories.
