

**TRAP TEAM MIXED EVENT FORMAT
NEW PROPOSAL
JUNE 2019**

GENERAL INFORMATION

1. Discipline:	Trap
2. Type of event:	Team Mixed
3. Number of participants in each team:	2 athletes from each nation (1 man & 1 woman).
4. Number of stages:	2 stages - Qualification - Final (Medal Matches Gold/Silver & Bronze)
5. BIB numbers in Qualification:	Athletes will retain the same BIB numbers, as those of the individual competition.
6. Number of targets in Qualification:	75 targets each athlete (3 rounds of 25 targets each) ISSF normal Qualification format.
7. Squads in Qualification:	Team squadding will be done by a random draw. The two members of each team must be squadded to fire next to each other on the same squad, with the man firing first and the woman second. Teams from the same nation shall not be in the same squad.

8. Ranking after Qualification
Stage and procedure to qualify in the
Final

After the end of Qualification, the ranking of the teams will be decided by the combined results of the 2 members of each team (1 man & 1 woman) $75 \times 2 = 150$, as per ISSF rule 9.14.5.2. & 9.15.3 (Team Ties).

The top four (4) teams will qualify to compete in the Final (Medal Matches).

Teams in places 1 and 2 will qualify for the Gold/Silver Medal Match, teams in places 3 and 4 will qualify for the Bronze Medal Match. The remainder of the teams (5th place and below) will be ranked according to their results as per ISSF rule 9.14.5.2. & 9.15.3 (Team Ties).

If two or more teams are tied for any position from 1st to 4th place, their places must be decided by a shoot-off as per section 11 below.

In case of more than one shoot-off, lower position shoot-offs must be shot first, followed by higher position shoot offs.

9. Allocation of new BIB numbers after Qualification and any eventual shoot-offs:

After Qualification and any eventual shoot-offs, the 4 teams which will qualify for the Final will be allocated new BIB numbers on the basis of their ranking. The athletes of the team in place 1 will both receive BIB numbers 1 and 1. The athletes of the team in place 2 will both receive BIB numbers 2 and 2, 3 and 3, 4 and 4. The BIB numbers must also bear the abbreviation of the nation of each team.

Example:

USA 1	USA 1
1	1
ITA 1	ITA 1
2	2
ITA 2	ITA 2
3	3
KOR	KOR
4	4

10. The Final:

The Bronze Medal Match will be shot first, followed by the Gold/Silver Medal Match, on the Finals range.

Teams that qualify for the Medal Matches must report for cartridge control at least 30 minutes before the Start Time. Juries must complete cartridge controls and equipment checks during the reporting period. Athletes must report to the Final Range at least 15:00 minutes before the start time, of each Match.

A one-point (1) penalty will be deducted from the score of the teams' first hit target if a team's cartridges are not presented for cartridge control at the stipulated time or if the team members do not report on time (15 minutes before each Match).

In the Medal Match the athletes will start to shoot in BIB number order and will occupy stations 1, 2, 3, and 4. Each team coach must designate which team member (male or female) will shoot first.

Number of Targets

25 targets each athlete from stations 1, 2, 3, 4, 5 (2 right, 1 center & 2 left targets from each station - normal round).

Only one (1) shot is permitted at each target (Rule 9.15.5.2 c).

Note: Preparation time limit = 12 seconds.

After the Medal Matches are completed the ranking of the teams will be decided by the combined results of each team (2X25 = 50 targets each team)

In case of a tie, this will be broken by shoot-off (see section 11).

	<p>The Medal Matches must be controlled by a timing device Rule 9.15.1.1 f)</p> <p>During the Medal Matches, coaches may call one (1) Coaching Time-Out for a maximum duration of one (1) minute when it is the turn of that team's athlete to fire. The Jury- Member-in-Charge must control the time. If a time-out is called, both Teams' coaches may speak with their athletes during this time. The Announcer may make commentary during Coaching Time-Outs.</p>

11. Shoot – Off procedures

The starting positions in the shoot-off, after Qualification will be decided by the interim Qualification ranking of each team (highest ranking team to shoot first). In case of a tie with perfect scores or a tie with the same scores that cannot be broken by the count back rule, the shooting order in the shoot-off shall be determined by drawing lots.

The starting positions in the shoot-offs after the Final stages will be decided by the BIB numbers (lowest BIB numbers to shoot first).

Both members of each tied team must participate in the shoot-off.

Each team coach must designate which team member (male or female) will shoot the first double.

The athletes designated to shoot first must line up behind station 1 in qualification ranking order (BIB number order in case of Medal Match) and shoot at a regular double, according to Rule 9.15.5.2.

Note: In the shoot-offs after Medal Matches, no targets will be observed by the athletes before shooting.

If the tie is not broken, the same procedure will continue on station 2 with the second member of each team shooting.

This procedure will continue with the team members shooting in alternate order (Team member shooting order will be 1 – 2 – 2 – 1– 1 - 2, - 2, etc.) on successive stations until the tie is broken.

The Shoot offs must be controlled by a timing device (Rule 9.15.1.1 f)). Only one (1) shot is permitted at each target. (Rule 9.15.5.2 c).

All shoot offs must be controlled by a timing device Rule 9.15.1.1 f)

<p>12. Type of Clay Targets:</p>	<p>Normal for Qualification and flash targets for the Final.</p> <p>The Final must be conducted on the Finals Range.</p>
